## Emergency Appropriation

Due to damages to the town plow which occurred on February 19, the Selectmen will introduce an amendment to the proposed appropriation for the Highway Department to increase that amount by approximately \$15,000, such amount to be used for the purchase of a new truck. The law regarding warrant articles prevents this from being added to the warrant as a separate item.

## **TILTON-NORTHFIELD RECREATION COUNCIL**

### **1975 Annual Report**

The end of '75 completes 20 years of organized activities by the citizens of Tilton and Northfield. The accomplishments this year include:

#### **A. Center Activities:**

The Center under the supervision of Dan Martin was open Monday, Tuesday, Wednesday, and Friday evenings from 6:00 PM — 9:00 PM and Saturday afternoons from 1:00 PM — 4:00 PM. Ping-pong, pool, tumbling, weight lifting, bumper pool, chess, checkers, and assorted games were available. Because of a conflict of interest Mr. Martin was relieved of his duties and the Center closed at the end of November. The Center was re-opened in January 1976 under the supervision of Council members until a suitable Director can be hired.

The Teen Council was re-activated in December. They held a Christmas Party for the youngsters of the community. They are formulating plans for movies and dances to be held after the first of the year.

#### **B. Swimming Program:**

Two 4 week periods were provided during the summer months under the direction of Ms. Vicki Marshall. Three 2 hour sessions were held daily Monday - Friday and included courses from beginners to senior life saving. 7 local youngsters were employed in this program. Approximately 150 children participated in this program. The program was concluded with a picnic, contests were held and prizes were awarded.

#### **C. Playground Program:**

For 8 weeks under the direction of the Recreation Council, and Playground Co-ordinator Ms. Patricia Laliberte with the help of 8 local youngsters various arts and crafts, indoor and outdoor games were provided for 3 hours daily in the morning Monday - Friday. Approximately 100 children attended this program. Special events included trips to Ellacoya State Park, Lost River Reservation, boat rides on the Sophie C and the Doris E. Tilton 500, Dairy Queen Miniature Golf and McDonalds.

#### **D. Ski Program:**

The Council sponsored two 5 week programs at the Highland Ski Area on Saturday mornings. Approximately 35 youngsters participated in this program. The Council co-ordinates the Ski Program with the Highland Ski Area thereby obtaining a low cost group rate which the participants pay for themselves.

#### **E. Babe Ruth Baseball:**

The Council in conjunction with the Tilton-Northfield Firemen sponsored a ball team playing in the Twin Rivers League. The boys had an opportunity to play against good competition, some also had the opportunity to play on the All Star Team. At the end of the season the Council hosted a banquet for the team members and their parents at which time trophies were awarded.

**F. Special Events:**

1. Red Sox Baseball. Approximately 100 youngsters attended a Red Sox baseball game in July. Prior to attending the game they were taken to the Franklin Park Zoo.

2. Halloween Party. This was initiated by the Tilton-Northfield Police Departments, the Selectmen, Recreation Council, and the Tilton-Northfield Fire Departments. A parade through Main Street brought the youngsters to the Elementary School where they enjoyed movies. Refreshments were served. Later in the evening a live band at the Winnisquam Regional High School played to a large group of teen-agers who also enjoyed free refreshments.

Many thanks to the many merchants, companies, individuals and organizations who donated funds or provided goods to make this evening possible.

"Thank you" to those individuals and groups who have helped the Council provide activities throughout the year. Special thanks to the taxpayers of our communities whose support continues to make recreation programs available.

All interested citizens are welcome to attend our regular monthly meeting, the first Tuesday of every month. We meet at 7:30 PM at the Recreation Center at the Tilton Town Hall.

Respectfully submitted,

## HALL MEMORIAL LIBRARY Tilton-Northfield, N.H.

### Report of the Librarian — 1975

Better service to a greater number in the communities of Tilton and Northfield continues to be the rule at Hall Memorial. The renovation program which was largely completed during 1974 under the able direction of the former librarian, Kyp Wasiuk, is still a source of satisfaction as well as a foundation for even more efficient use and growth of the library.

Staff changes, necessitated because Mrs. Wasiuk accepted a position as a member of the Tilton School Faculty, have included the hiring, effective September 2, of Mrs. Guenn Winterbottom as librarian. The limited budget permits her to work a twenty hour week for a ten month year while Mrs. Jeanette Smart is employed on a thirty-two hour week as Assistant Librarian. The library is open six days per week (schedule included at end of report) for a total of forty hours each week for ten months of the year. During July and August the Assistant Librarian is at the library four days per week for a total of twenty hours.

An inventory of the library collection, incorporated with an update of the card catalog has been started in order to effect maximum use of the present library collection. The Scrooge & Marley book purchasing cooperative (Service Center Region Organized to Overcome Growing Expenses and Multiply Available Revenues for Libraries by Enlarging their Yield) is an association of libraries in Sanbornton, Franklin, Hill, Andover and East Andover, Tilton School, Bristol, New Hampton and Tilton-Northfield which continues to enable us to share in an increased discount from the cooperative's jobber as one way of fighting the ever increasing cost of books. In addition some paper-back volumes and advantageous purchases from selected other sources have been incorporated into the collection. Donations of some three hundred twenty-five books have been another welcome means of providing more reading material. A few additions to the Oakes K. Lawrence Memorial Book Fund have been useful as well.

The newspaper and periodical issues at the library are in constant use. We have subscriptions for twenty-five magazines and four newspapers. Over 200 more magazines were circulated during 1975 than the previous year, probably because borrowers feel it is a personal saving not to have to buy the ever more expensive periodicals.

As an additional service for our patrons as Olivetti Coinfax Copier is now in the library. If this is used sufficiently we will be permitted to keep it without charge or significant expense to the

library.

Hall Memorial continues to be the meeting place for several local groups. Some of these include the District Nurses' Association, Women's Club Reading Group and committees from the Tilton-Northfield Women's Club. We encourage this use and would welcome even more community participation of a similar sort. Each Tuesday during the summer months the Kindergarten Parents' Group met at the library to accomplish planning and complete materials for their program this year.

The Friends of the Library have provided the much appreciated Christmas and other holiday decorations during the year, and have sponsored the Fall Book Sale, a source of revenue for special projects.

Hall Memorial continues to benefit from the services of the New Hampshire State Library by virtue of the Bookmobile visits three times during the year when about 700 books for each visit are brought into the library to circulate on a temporary basis. Also, ninety-one of our borrowers are holders of a State Library Card which enables the user to borrow books from almost any library throughout the state. Further, the State Library Services for the Handicapped early this fall provided a display of materials available to any of our borrowers. These included Talking Books and Casette Tapes. The catalogs for these materials are on file in the library. Recently the State Library Commission awarded a certificate to Hall Memorial Library for meeting the minimum qualifications as a member of the Statewide Development Program.

The rapid growth in circulation of books achieved during the years of 1973 and 1974 has leveled somewhat. This is largely because Union Sanborn Elementary School now houses only the first four grades. These children depend upon the library and use it regularly as classes and as individual borrowers. However, the fifth and sixth grade children now have a good school library at Winnisquam Regional to serve most of their needs. These six classes were a total of about 175 children. Their almost daily use of the library during the school year accounts for nearly 7,000\* of the books circulated in 1974.

It is the hope of the librarians to increase the use of the library by both upper elementary, junior and senior high school students by setting aside an area of the library for their special needs. A paper-back book swap for them has been initiated and the reference area has been improved. Interest and use has increased in recent months and there is reason to believe it will continue to do so once the young people establish the habit of fulfilling their study conveniently and efficiently at the public library.
